WILMINGTON MARKET.—Dec. 11.

There has been a slight rise in the Northwest prong of the Cape Fear river since our last report, and Timber and Naval Stores have arrived rather more plentiful than during the previous week. Prices, however, have not materially varied, not enough having come to market to effect a change.

NAVAL STORES.—After rigid inquiry to-day, we feel warranted in quoting old dip Turpentine at \$3 70, as the market price, which is a slight rise from last report. Some lots have changed hands a shade lower during the week. We take occasion here to remark, that there is made on Virgin, or new dip, at this season of the year, a deduction of from 25 to 100 cents per barrel, according to quality. Tar continues at \$2 00; which price about 2000 barrels have been sold the past week. Pitch—\$1 25 to \$1 50. Rosin, No. 1, \$1 50 to \$2 50—No. 2, \$1 00 to \$1 50—No. 3, 75 to 80c. Spirits Turpentine, 60 to 65c.

TIMBER & LUMBER.—We have no reason to vary our last quotations materially. Last sales Flooring boards—river—were made at \$13 50.

STAVES.—Red Oak bbls. have been sold the past week at from \$13 to \$15.

SHINGLES.—Are worth from \$2 50 to \$2 75, according to quality.

LIQUOR.—Whiskey has taken a sudden rise, the price is small. We quote at 35 a 37c.

SALT.—1000 bushels Turke Island Salt, bro't a few days ago from 39 to 46c.—at auction.

CORN.—This article has become very scarce, and is in good request, at from 80 to 90c. We think there has not been a cargo arrived here from the north counties, for something near six weeks. A few thousand bushels would, no doubt, command something near our lowest figure. It recites from store at 80 and 90c.

WE would particularly refer to our table above for a fair state of the market at its close to-day, as we have taken great pains in endeavoring to have it correct.

NEW YORK MARKET.—Dec. 6.

The Cotton market closes due to-day. No arrivals of Turpentine, prices without change. Spirits of Turpentine is rather better—sales in lots having been made at 64 a 66 cents, cash, and 66 a 68 cents.

The market for Olive oil is very quiet, prime 10,50—new prime 8,12.

The stock of rice is considerably reduced. Transactions for the week, 300 tierces, at \$4,87 1/2 to \$5,25, cash.

Wheat sold on the 5th, Genesee, at \$1,40. Corn is quoted at 87c, and in request.

The flour market on the 4th and 5th was inactive. Genesee, about, 86, 87 1/2 to 87, 87 1/2; Fancy brand, Frederickburg, 87.

CHARLESTON MARKET.—Dec. 6.

A fair business was done in Cotton during the past week—prices ranging from 6 to 8 cents—an improvement on last report.

Rice has gone up fully a 1/2 since the 29th November. We quote at \$4, 40 to \$5, 30 per bushel.

A mixed cargo of North Carolina sold at 70c. 70c.

CONSUMPTION.

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Indigestion, Nervousness, Headache, Rheumatism, Gout, Gravel, Debility, and all Diseases of the Throat, Breast and Lungs; the most effective and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

ANOTHER WONDERFUL CURE OF CONSUMPTION.

Providence, R. I. Sept. 20th, 1845.

Dr. Swayne—Dear Sir:—I feel called by an sense of duty to low-to suffering humanity to acknowledge my grateful thanks for the wonderful effects of your "Compound Syrup of Wild Cherry" on me, after having suffered months after months with the most afflicting of all diseases, Consumption, with scarcely a ray of hope, or a breath of relief, until I came to your medicine, and found it a life-giving and life-saving remedy. The circumstances which first led to the awful state of debility, was from taking a heavy "cold," which seemed to fix itself upon the lungs, which gradually grew worse, with profuse night sweats, a hacking cough, oppression in the breast, spitting blood, with general debility. My constitution seemed broken down, and nervous system very much impaired, with all the symptoms of confirmed Consumption. I went to Philadelphia, and was treated there by physicians of the highest reputation, but still grew worse, until they gave me up as incurable, and advised me to go South, but being very poor after losing so much time from my work, and having spent all my money on the various "cures" of Philadelphia, I was unable to take the journey. Being a member of the Order of Odd Fellows, I heard of your medicine, and was induced to send me to my friends in Maine. I was treated by physicians of the highest standing there, but received no benefit, and grew more and more generally worse, until my physician and myself gave up all hopes of my ever recovering, and I felt like one who is about to pass through the valley of the shadow of death. At the new juncture, I heard of your "Compound Syrup of Wild Cherry," and knowing you to be a regular practicing physician in Philadelphia, gave me more confidence in the medicine, and I concluded, as a last resort, to make a trial of it. I sent you a large tin of Borden's Compound, which relieved my very much. I then procured two bottles more, which I am happy to say entirely cured me, and I am now enjoying better health than I have before in my life. It seemed to have a beneficial effect at once. I gained strength rapidly, and I feel satisfied, from its salutary effects in my own case, that Dr. Swayne's Compound Syrup of Wild Cherry will cure any case of Consumed Lungs, if taken according to the directions, and the rules contained in the pamphlet accompanying the medicine. Even the physicians who witnessed my case are highly recommending it in similar cases, and I am glad to make this public, so that others who are suffering as I have been, may know where to procure a remedy at first, which will reach their disease, without accompanying with and ruining their constitution, and with the many "quack nostrums" with which the whole country is flooded, prepared by persons who have no knowledge of the science of medicine in theory or practice, but who merely wish to make money. I am a member of the Hope Lodge of I. O. O. F., in Providence, R. I., and will be happy to give information in regard to the efficacy of your medicine, and can give ample proof that my cure is not exaggerated in the least. ALBERT A. ROSS, To Dr. H. Swayne, N. W. corner of Eighth and Race streets, Philadelphia.

CAUTION.—The public should be on their guard against the many "Balm" and "Mixture" of "Wild Cherry" which have sprung up in all parts of the country, purporting to be prepared by physicians, all of which will be found to be "false," by a little inquiry in the towns and cities where they originate. All certificates and statements in regard to Dr. Swayne's Compound Syrup of Wild Cherry are "strictly true," and the proprietor is ready to receive them from persons who have been cured by the celebrated remedy. The (original and only) genuine article is only prepared by Dr. SWAYNE, N. W. corner of EIGHTH and RACE streets, Philadelphia.
